What right has Shamanna to retain whining the petition which is due to the matt Swami. If no one claims in behalf of the matt the money ought to be credited to Govt. Ask the Dy Com to enquire and report upon this aspect of the question, as also his opinion as to whether that money ought not to be endorsed to the Petr. Medy lands cannot be restored at this late stage I am under the impression that the Govt has no power to do so

Deputy Commissioner's Office,
Tumkur District.
Dated 18th May 1895.

To The Chief Secretary to the
Government of Mysore.

Sir, With reference to your official Memorandum No: Rev/1009 dated the 15th December 1894 forwarding for report (with the record of the case) the petition of Veerappaswami MacKadar of Kiri Mutt at Kyathsandra in the Tumkur Taluk praying that the dry land which was in the enjoyment of the mutt as inam and which was resumed at the time of the Inam Settlement may be restored to the mutt, I have the honor to state as follows:—

2. The mutt in question was enjoying the ※ marginally noted two lands as inam for Dasoga Service.

※ Dry land no: 15 in the village of Kyathsandra in the Tumkur Taluk.
Wet-land no: 209 under the Inydala amani tank in the Tumkur Taluk.

2/12

3. Firstly in regard to the wet land
In 1882 the petitioner, Veerappadevaru complained, that one Shamanna was enjoying the said wet inam land, and prayed that it might be restored to the mutt. Enquiry shewed that the land had been mortgaged in the Sarvajithu (1827-28) to Seenappa uncle of the said Shamanna by Moodooveeradévaru the then pattadaiyya (manager) of the mutt, and that in virtue thereof Shamanna was enjoying it. This being a service inam and therefore inalienable the matter was referred to the Superintendent of Inam Settlements with the view of assessment being imposed on the same in accordance with the rules on the subject. As the matter had to be decided as per clause A para II of the late Chief Commissioner's

Notification No: 266. of the 17th November 1877
that officer called for the Niroopa ~
granted by His Highness the Maha
Raja of Mysore for the inam lands
attached to the mutt and the ~
mortgage deed of the year Sarvajithu
(1827-28), and also enquired whether the
mortgagee was maintaining the mutt or
simply enjoying the inam on mortgage,
in what condition the mutt was and
whether the mortgagee would ~
voluntarily restore the inam land to
the mutt or agree to pay to it one half
of the assessment of the land. The
documents called for were sent and
the Inam Superintendent was ~
informed that the mortgagee was
neither managing the mutt nor ~
maintaining it, that he was simply
enjoying

enjoying the inam by right of mortgage; that the mutt was, however, in good order; that the mortgagee was not willing to restore the inam land to the mutt, but that he was ready to pay it one half of the assessment of the land. The Inam Superintendent then confirmed the land (i.e wet land no. 209) to the mortgagee Shamanna as personal inam on a quit rent of Rupees 8-10 a, Rupees 5-8-a of which being payable to Government and Rupees 3-2-a to the mutt. Thus the inam land no: 209 passed away from the mutt to its mortgagee Shamanna who now enjoys it. He declines to restore it to the mutt and states that there has been no pattadizya (manager) in the mutt since several

years

years; that none asked him for the payment of the said annuity of Rupees 3-2-a, that none sojourns in the mutt, that no Dasoga is rendered therein; that when a pattadaiyya (manager) comes to the mutt and settles himself there and Dasoga is rendered he will pay the annuity and that the petitioner Veerappadévaru is not the "Swami" of the mutt.

In the mahazar given by some of the inhabitants of Kyathsandra they state that the pattadaiyya of the mutt does not reside there as he has no means of livelihood at the place, but at Haralur, and that no Dasoga is rendered in the mutt.

4. With regard to dry inam land no. 15 I beg to state that the present enquiry shews that it was also

also mortgaged in the year Sheelka (1848-49) to one Haridasappa and another by Rudraiyya the then pattadaiyya (manager) of the mutt, but was never redeemed During the Inam settlement it was brought under attachment and eventually resumed to Government At the time of the survey settlement its Patta was made out in the names of Dasappa and Narahariah, from whom it has passed away to Shamanna and Gelliah who now enjoy it. They do not agree to the land being treated as inam and to their being required to pay a portion of its quit-rent to Government and a portion to the mutt as in the

Case

Case of wet land no: 209.

5. The enclosures of the official memorandum under reply are herewith returned together with the record of the case.

Petition registered No. 674 dated 12th August 1894 from Virappa Swamy of Hirimat, Kyathasandra, Tumkur Taluk, praying that the Inam formerly held by the Matt but now in the enjoyment of one Shamanna may be ordered to be restored to the Matt.

2. Letter No. 1000 dated 18th May 1895 from the Deputy Commissioner Tumkur District, reporting that the wet land held by the Matt had been mortgaged by the Pattadaiya of the Matt in Sarvajitu (1827-28) to the said Shamanna's uncle and was at the Inam Settlement con-firmed to the mortgagee as personal Inam on a quit-rent of Rs 8-10-0 of which Rs 5-8-0 was payable to Govt. and Rs 3-2-0 to the Matt, that the latter sum had not been paid to the Matt for several years, that the mortgagee urged that there was no Pattadaiya in the Matt and no service rendered there, and that the dry land held by the Matt having been mortgaged in 1848-49 to one Haridasappa it was brought under attachment at the Inam Settlement and eventually resumed, and that subsequently it passed to

third parties and is now in the enjoyment of the said Shamanna and one Gelliah who do not agree to the land being treated as Guam.

Order thereon — R. 24165 / P. 1883 8/16/25 6.95

It is not clear what right Shamanna has to retain to himself the portion of the quit-rent which is due to the Swamy of the Moatt. If no one claims it on behalf of the Moatt the money ought to be credited to Government. The Deputy Commr. is requested to enquire and report upon this aspect of the question and submit his opinion as to whether that money ought not to be ordered to be paid to Petitioner.

2. The dry land cannot be restored to the Moatt at this distance of time.

In the draft the order made specifically to refer arrears - As regards sums accruing hereafter, Shamanna has agreed to pay them regularly &c., & it is believed no order is required for their recovery by Revenue authorities.

An extract from the united Register of Minor Inams this office is appended with marks to be seen therefrom that no mention is made in that Register of the sum of Rs. 3-2-0 referred to in the Dy Commrs reports & the Govt order. The Register simply says that the amount of the former Jodi was Rs. 5-8-6 & that Rs. 5-8-0 is to be recovered as Quit rent to Govt - No new Quit-rent was imposed at the Inam Settlement and the Inam was not enfranchised. The Dy Commrs report that the Inam was confirmed to Shamanna as personal Inam on a Quit rent of Rs 8-10-0, Rs. 5-8-0 of which being payable to Govt and Rs. 3-2-0 to the Mutt is

not quite in accord with the Va
Register & thus the terms of the
main settlement are not clear.

If so the Register shows
the Govt is entitled to recover as
a Jodi of Rs. 5-8-0, can it
step in & recover the sum of Rs. 3-
